JOINT PRESS RELEASE

Mozambique: Caixa Geral de Depósitos, Fidelidade and Millennium bcp join the Portuguese Red Cross and UNICEF Portugal in the support of Cyclone Idai's victims

The natural disaster caused by the passage of Cyclone Idai in Mozambique has caused a devastation of great magnitude, with a high number of victims, resulting in thousands of displaced persons, loss of food, resources and still countless losses. Mozambique and Portugal are brother nations, with multiple business partnerships and extensive institutional cooperation, in which many Portuguese have roots, so an event of these dimensions cannot leave us indifferent. Due to the long and strong historical link between Portugal and Mozambique, three Portuguese entities - Caixa Geral de Depósitos, Fidelidade and Millennium bcp - joined the Portuguese Red Cross and UNICEF Portugal in supporting Mozambican citizens.

With the purpose of supporting the affected population by cyclone Idai, there are two accounts, one in Caixa Geral de Depósitos and another in Millennium bcp, to which any citizen can make his donation, either by bank transfer (ATM or by homebanking) or via MB Way, Millennium bcp, CaixaDirecta or EasyBox Apps. These accounts are respectively from the Portuguese Red Cross (Caixa Geral de Depósitos account) and UNICEF Portugal (Millennium bcp account), organizations that have the ability, swiftly and expeditiously, to provide the raised funds to provide emergency support to the most afflicted Mozambicans.

Both entities promoting this initiative and the Non-Governmental Organizations appeal the Portuguese to support this fundraising and make a difference with their donation in a country that is part of the Portuguese Language Countries Community, at a time when the Mozambicans need.
